Re: All sports booster club organizational meeting

As the fine parent(s) of a West Oso High School athlete you are cordially invited to attend the organizational meeting of the 2008-09 West Oso booster club. The meeting will be held on Monday August 11, 2008 at 6:30 pm in the high school cafeteria. In order for all sports to have representation in the booster club this special invitation is being forwarded to you by your athlete's head coach. This will give your child's sport and his/her head coach representation in the fundraising. For many years very few spring sport parents were not involved in the booster club and we would like to change that. Therefore, we are sending out these special invitations to you so that ALL SPORTS will have an influence on booster club activities. WAIT - DON'T COME ALONE! Although you received this special invitation please feel free to bring another "Bear Fan" with you. This is the perfect opportunity to promote your child, your child's sport, and all West Oso High Athletics. NEW SCHOOL – NEW VISION!!!! COME AND MAKE A DIFFERENCE!

Coach Williams
